## NEW YEARS EVE

### ON THE RHYTHMBOAT

**New Years Eve is the biggest night and event on Sydney Harbour. Thousands of party goers line the foreshore for this night. The lucky ones are on the Rhythmboat!**

We are introducing a complete change of concept for New Years Eve 2018.

We have booked our sensational live Mamamia – A tribute to ABBA band to perform.

Their second set, they will shed their ABBA costumes and will knock you out with a great set featuring the best retro songs of all times. Knock on wood, Play that funky music, I will survive and the list goes on!

In between the live music our resident party DJ will be spinning the latest and greatest.

This major Sydney harbour Event will board at 10pm and right from the start, there will be music, dancing, mingling and partying for all who attend.

There will be chairs and seats around the vessel, however, tables will be limited but the food will be plentiful.

Our staff will serve a variety of cocktail / finger food all night and doesn't matter

if you are vegan, vegetarian or a meat lover, there will be plenty of variety.

The Rhythmboat features 2 decks and an atmosphere that other vessels on Sydney harbour envy. Our vessel is Sydney's #1 party boat.

New Years Eve, it's an open bar, (2 bars) with a wide selection of local and imported beers, house spirits, ciders and wines.

Live music, great DJ, fantastic food and an open bar with the main event at midnight with the best fireworks display you will ever see.

Unlike most other boats on Sydney harbour, once the fireworks finish, we will be just starting to celebrate 2019 with more live music, while most other boats will be dropping off their passengers.

I acknowledge that NYE is not cheap. However, it is a "Bucket list" event and to be on Sydney harbour with food,

great music, open bar and surrounded by fellow passengers who are on board with the same objective is to make this night their best night of the year.

Our advertised price is \$595pp, however, we are offering a Friends & Family "group of 6" rate for \$2370, that is only, \$395 pp.

This offer must be booked and paid for by the 20th December 2018.

If you have been on our boat before, you know what to expect.

If you haven't, look at our TripAdvisor rating and reviews and you will clearly see that you will make a good choice if you join us this New Years Eve.

Join in with the theme, dress in your best retro gear and if you impress our judges, you will win a "shipload" of stuff on the night.

Together, let's make this the best NYE party you have been to!
